Residents Would Move City Dump

Possibility of moving Canyon's dump grounds to a new location was discussed by City Commissioners in a meeting attended by several property owners here Monday evening.

Although commissioners have finalized plans earlier for a \$25,000 bond issue April 2 on expansion of the dump grounds at its present location, several property owners, most of whom live outside the city limits, voiced disapproval of the action.

The dump ground proposal is a part of a proposed \$440,000 bond issue for improvement of garbage, sewerage and street facilities. The commission has voted a \$1.60 tax rate per \$100 valuation with taxable valuation being based on 50 percent of actual valuation. The rate formerly was \$1.50 per \$100 valuation.

Dr. Dudley Moore, Randall County medical officer and former owner of a home near the dump grounds, said expansion of the facility might contaminate the nearby creek.

"Let's be real sure," Dr. Moore said, "we can say in a

Junior High Band Ratings

Canyon Junior High School band received a Division II rating in concert performance and a Division I rating in sight-reading at the Borger Band Festival last Friday.

The CJHS band is directed by Edna Hudson.

Other schools in the same classification and their ratings were Pampa Junior High, Division II in concert and Division I in sight-reading; Dumas Junior High, Division II in concert and Division II in sight-reading; Robert E. Lee Junior High of Pampa, Division II in concert and Division II in sight-reading.

University Gets Funds

A total of \$188,040 has been appropriated to West Texas State University by the United States Office of Education for Educational Opportunity grants, it was learned Tuesday by Milton Morris, director of student financial aids.

The money is used to assist qualified students in remaining in college, and will help about 360 students at West Texas State, Morris said. The Educational Opportunity Grant program gives marginal students the opportunity to continue their education, he said.

"This is part of the assistance," (See UNIVERSITY Page 5)

First Aid Course Set

A standard course in the basic principles of first aid will begin Monday, March 25, at 7:30 p.m. under the sponsorship of the Red Cross.

Craig Bellah will instruct the class. The group will meet at LaGrone Funeral Home for the first session. The ten-hour course will include classroom study as well as practical application of skills.

All persons interested in the course should attend the first session Monday night. No charge will be made for the course.

GSPA Meet Set Here

Annual meeting of the Grain Sorghum Producers Association of Potter and Randall counties will be held here March 28, according to Ralph Ruthart, organization president.

The breakfast meeting, to be held from 7 until 8:30 a.m., will be conducted at the Red Barn Restaurant.

Election of officers and a briefing of GSPA business and water program is slated.

Other officers from Randall County in the organization are John Williams, secretary, and directors, Eugene Lamb and Richard D. Friemel.

Randall Farmers Receive Honors

Several Randall County farm families were honored in Lubbock last week for being original Southern Farm Bureau Casualty Insurance Company stockholders.

Those present for a banquet celebrating the 20th anniversary of the Farm Bureau organization were Mr. and Mrs. Clarence Beckman, Mr. and Mrs. H. W. Burrus, Mr. and Mrs. Forrest Gruner, Mr. and Mrs. Anton Handing, Mrs. J. J. Leavitt, Mr. and Mrs. Emil Olson and Mr. and Mrs. E. W. Schaeffer.

Those honored who could not attend included Wilhelm Bauer, John Bedenk, J. W. Byrd, B. A. Burrus, H. W. Burrus, Mrs. Earl Davis, C. B. Erwin, Eugene Frische, Ben Koch, Ray Metcalf, J. W. Spencer, Joe Wieck, John Wieck, Louis Wieck and Mrs. Theo Wise.

Each of those honored received a silver serving pitcher as being 20 of the 119 original stockholders in Texas.

The organization held its first annual election of officers in 1936, when ten directors were named to represent seven or-

ganized communities.

In 1948, 25 directors were elected from eight organized communities which is the present organization pattern.

Local men who served as president of the Randall County Farm Bureau began with L. B. Hammond in 1936. He was succeeded by J. P. Hix, Ross Craig, R. B. Gist, Sr., Jeff Wallace, James Eddy Park, Clarence Beckman, A. E. Wise, G. E. Wesley, G. A. Dietz, W. T. Robinson and R. B. Gist, Jr.

Membership totals in Randall County Farm Bureau have ranged from 555 members in 1937 to 612 in 1967. During this 30-year span the membership reached its lowest total of 292 in 1944 and its present highest total of 626 in 1950 with an average of 482.

Forty two Randall County families have had continuous membership in the Farm Bureau here from 1937 to 1967. In 1936, dues were not uniform for the membership but were based on a percentage of the Agriculture Adjustment Act checks received by the individual members. In 1951 dues were raised from \$5 per member to the present annual dues of \$10 per member.

The Farm Bureau here opened its first fulltime service in the rear of the old (See FARMERS Page 5)

Foods Show Is Saturday

Favorite Foods Show for county 4-H members will be conducted Saturday at the Junior Livestock Building here.

Judging will begin at 10 a.m., according to Mrs. Becky Hall, home demonstration agent. The presentation of awards will be held at 1:30 p.m.

Show exhibits in both the junior and senior divisions must be in place by 10 a.m. and exhibitors are required to be present when their display is judged. This group will recess for lunch.

Records will be judged Friday, according to Mrs. Hall. Those entering the show are reminded to turn in recipes, menus and D-forms to the home demonstration agent's office by 5 p.m. today, Thursday.

Probe May Take More Than Year

School board members were apprehensive but gave consent Tuesday night for a study to formulate bargaining procedure for Canyon Class Room Teachers.

The study was requested by Mrs. Alma Perkins, president of Canyon Class Room Teachers Association.

Superintendent Jerry Jacobs appointed Luther Lawless and Lawrence Brotherton to serve on a study committee with representatives of CRT.

Lawless is Gene Howe Elementary School principal and Brotherton is administrative assistant to Jacobs.

Jacobs said the study will require six to 14 months. He said the CRT committee will make recommendations when the study is completed.

Jacobs said teachers are not concerned primarily with salaries although pay is a factor. He said they are concerned with curriculum, teaching loads and crowded classrooms.

Athletic Banquet Saturday

Annual awards banquet for Canyon High School athletes will be held Saturday at 7:30 p.m. in the west cafeteria at West Texas State University.

Open to the public, tickets are available at \$3 per plate from any member of the Canyon Eagle Booster Club, according to Johnny McBroom, president.

Thad Ansley of Amarillo, commonly known as "Mad Thad" for quips posted on his cleaning establishment at 1411 Washington Street, Amarillo, will serve as master of ceremonies for the banquet.

Highlight of the program will be the presentation of athletic honors including the Fighting Heart award to the outstanding CHS football player; the outstanding forward and guard awards for the girls' basketball team; and the outstanding basketball player award for the boys basketball team.

Additional honors will be bestowed on the Basketball King and Queen and the Football Queen, selected by student vote.

Prichard Quits Local Elevator

Arnold Prichard has resigned as manager of Consumers Fuel & Elevator Association and has accepted a position in the management of Producers Grain Corporation.

The Prichards will continue to live at 412 Foster Lane in Canyon. His resignation becomes effective April 1.

Prichard will act as liaison between PGC and local elevators which have borrowed money from PGC on commodities with warehouse receipts as collateral.

Prichard has been manager of Consumers Fuel & Elevator Association for the past 13 years. He grew up on a ranch at Elida, NM.

He went into the grain business as elevator superintendent with Bradley Grain Company in Hereford in 1948.

He was with Bradley Grain Company until it sold to Hereford Grain Corporation, a cooperative. He was with that firm for about a year before moving to Canyon as manager of Consumers.

At the time Prichard arrived in Canyon, Consumers had a 325,000 bushel capacity. It now has 1,700,000 bushel storage capacity with facilities at two Canyon locations and at Ralph Switch.

Storage facilities upon Prichard's arrival consisted of one concrete elevator and an iron-

He pointed out that teacher strikes already have spread into the Southwest but declared that efforts for bargaining units in Texas are designed to avoid strikes.

"This has been an effort by the associations to avoid use of labor tactics," he declared.

He said the proposed bargaining procedure here would take away no power from the school board or the school administration.

"It would provide a procedure for teachers to make recommendations and to sit down and talk about what they want to talk about," he declared.

"We already ask our teachers to make recommendations," he went on. "We want to know what they think. We want to know what they think in the proper place. There are proper places for these things to be discussed, not down town over a cup of coffee."

Several school board members expressed concern over power which might be exercised by a teacher bargaining unit.

"What curbs do we have on the steps they can take to get what they want?" asked J. O. Parker. "It is just a starting place."

"I agree with you that it's a starting place," Jacobs replied. "But it might head off some strikes."

Jerry LaGrone noted that some school board have teacher representatives at every board meeting.

"As long as it is a situation where you can get their ideas and evaluate them, it's good," said LaGrone. "You can have things like over in New Mexico. A little talking might (See PROBE Page 5)

state selective service director.

This compares to a quota of 1,948 for the Army in March and is the largest monthly call for the draft boards since October 1966, when the share was 2,845.

The draft boards will forward 8,500 men to the armed forces examining and entrance examinations in preparation to fill future quotas.

This compares to 7,200 being forwarded for this purpose in March, 4,590 sent in February, and 5,455 in January. The March pre-induction examination quota originally was 4,200, but was increased later because of higher induction quotas.

The April induction and pre-induction quotas were mailed to local boards by state Selective Service headquarters March 13.

COVERING FUMBLE

The subhuman antics of human beings recorded in the daily newspapers makes it strange that anyone can read should be disturbed by a theory that man may be related to other animals.

L. R. DOBBS, owner of the Dobbs Corporation of Canyon, manufacturers of tail water recovery pumps, and one of his employees, Robert Ezzell, work with an engine that will be attached to one of the pumps. Dobbs was

able to rebuild his company, which was destroyed by a tornado last year, with the aid of funds from the Canyon Industrial Foundation. Ezzell, Canadian, is a sophomore student at West Texas State University.

Foundation Aids Dobbs In Rebuilding Factory

BY WAYNE BOARD

Although the Dobbs Corporation was destroyed here July 18, 1967 by a tornado, L. R. Dobbs, owner of the tail water recovery pump manufacturing business establishment, was able to rebuild with the aid of funds from the Canyon Industrial Foundation, Inc.

"We'll be back in operation in about thirty days," Dobbs declared, adding that his business operations had been at "almost a stand-still" since the tornado winds struck. When the high winds damaged several businesses and homes in and around Canyon last July, almost three inches of rain fell.

Under the terms of the contract signed last Nov. 21, the foundation will own the building Dobbs will use for 15 years on a lease-purchase agreement.

Cost of the building, land, fence and parking area was to be about \$20,000, said Ronald Logan, sales representative for Floyd W. Richards, contractor from Amarillo who built the structure.

The pre-engineered steel structure is located on the western edge of Canyon's city limits. The new building has about 5,000 as compared to 4,000 square feet of floor space in the old structure.

Due to a longer irrigation season and a larger market, Checks Slated For Discussion

Representatives from Canyon's two banks will present a program concerning personalized checks at a Wednesday noon meeting of the Canyon Lions Club.

David West, First National Bank, and J. B. Douglas, West Texas State Bank, will conduct the discussion to be held in the American Legion Building.

Paul Davis, city manager, Wednesday at the organization's meeting discussed an upcoming \$440,000 city bond election which will be held April 2.

The April induction and pre-induction quotas were mailed to local boards by state Selective Service headquarters March 13.

Endowment Inc. Formed At WTSU

A new foundation, Educational Endowments Incorporated of West Texas State University, has been formed, according to Vaughn Vandergriff, executive director of West Texas Students, Inc.

The organization, Vandergriff said, is outside the university but was formed with the cooperation and consent of the WTSU administration.

Goals of the endowments corporation include:

1. To support, promote and provide financial assistance to education at WTSU;

2. Provide financial support for students at WTSU by providing scholarships, fellow-

ships, excellence awards or loans;

3. Provide funds to acquire outstanding faculty members and students for WTSU;

4. Accept gifts of money, property both real and personal, and other donations of value and to manage and control investments and to re-invest these properties and funds and to contribute income to the furtherance and work of the foundation; and

5. Act as trustees of any funds or property committed to it for any purpose or purposes designated by any donor.

"This is the first time," (See ENDOWMENT Page 5)

Dobbs now is able to ship his recovery pumps on the north and south plains, and to New Mexico, Kansas, and there is a possibility of later shipments to Arizona and Nebraska.

"We've even had inquiries from the Department of the Interior in South-Dakota for pumps to be used in spillways," Dobbs said.

Dobbs is even venturing into sand and gravel washing operations, which he was unable to do in the past because of lack of sufficient water pressure.

"Anywhere surface water is pumped, we've got a market," (See FOUNDATION Page 5)

Miguel Tarrab

Tarrab Guest For Jaycee Installation

Miguel Tarrab will address the Canyon Jaycees and guests on "International relations" Saturday night at the civic club's annual officer installation and awards program.

Tarrab, a native of Cuba, is an assistant professor in the mathematics department at West Texas State University.

Born and raised in Havana, Cuba, Tarrab earned the doctor of science degree from the University of Havana in 1945. He also studied at the University of the State of New York in 1952 and earned the industrial teacher training scholarship. Tarrab and his wife, Maria Dolores, have two children, Marie, 17 in Marshfield, Wisconsin and Maria Michele, 14, in Canyon.

Open to the public, the banquet will be held in the cafeteria of Canyon High School. Banquet tickets are \$2.50 available from Jaycee members and at the door.

SILVER PITCHERS were presented to 20 Randall County farmers last week in Lubbock at a banquet conducted by the Southern Farm Bureau Casualty Insurance Company, honoring its 119 original stockholders in Texas. Among those to receive the gifts were Mr. and Mrs. Emil Olson of Canyon who joined the organization about 1940.

by Troy Martin FROM THE CANYON RIM

Marion Bruce is a familiar figure in Randall County and Canyon.

He's a curly-topped, weather-beaten, soft-talking farmer and stockman from the north part of the county who has taken an almost parental pride in the development of Canyon. There's hardly a week that he doesn't visit some segment of the community and he has been doing it for the eight years I've lived here.

He has served on the county school board and as county Democratic chairman. He is a Kiwanian and is interested in youngsters.

So it wasn't surprising that the biggest single delegation to his appreciation dinner in Amarillo Monday night was from Canyon. Canyon folks appear to think Marion would be a good delegate for us to send to the

legislature and I agree with them.

Oh, by the way, Marion is running for state representative, 75th District.

Preston Smith is another candidate I'm going to support. Preston is running for governor and his background well qualifies him for the job.

He has had 18 years of experience in state government. He served his apprenticeship in the House and labored there for six years. He spent a like time in the Texas Senate before the people of Texas promoted him to the office of lieutenant governor.

As presiding officer of the senate he wielded a firm gavel. I think Smith's record entitles him to another promotion. Yes I think Preston Smith should be governor of Texas. The governor of Texas should be

Preston Smith.

I was chagrined Monday night to be accosted by Sheriff Slim Johnston and told that my name had finally sifted to the top of the FBI's 10 most wanted men.

I have the dubious honor this week of having my name listed as public enemy number one.

Actually, one Troy D. Martin, a kidnapper and forger, was named the nation's top criminal this week. People began asking me about it after Martin's picture was flashed on TV over the week end.

Until 1949, I had considered my name to be rather unique in that I had never encountered its duplication before. I was working on The Amarillo Globe News as police reporter at the time.

A Troy Martin was picked up for stealing a car at Borger. There were two newspapers in Amarillo then and the opposition, which usually ran car thefts in two paragraphs on the inside, put a hefty headline on that one and put it on page one.

I encountered raised eyebrows for weeks.

Oh, well. Such is the price of notoriety.

Teachers unions are coming to Texas. We could expect it and in a way, we deserve it. We've kept our teachers among the lowest paid in the country. I understand we rank 37th nationally. Garbage collectors in New York City draw more money than a beginning instructor at West Texas State University.

One of the planks in Pres-

ton Smith's platform is to bring Texas teachers up to the average national pay scale. If he is elected, I hope he does it.

City dumps and sewerage plants have always made nearby residents unhappy and I guess they always will. Cities will continue to require them and I guess a certain number of people will continue to be unhappy.

The city dump is a lot like the fellow who was caught in the bank after hours. His explanation was: "Everybody's got to be somewhere."

One of the silliest proposals yet on Vietnam has been made by Presidential Candidate Bobby Kennedy. He wants to solve the situation by inviting the Viet Cong communists into a coalition government in South Vietnam.

This would amount to turning the country over to the reds. When communists tint a government with red it usually is all red within a matter of months.

But what can you expect from little brother? He has even offered to send his blood to the communist soldiers fighting our boys in the Vietnamese jungles.

Narcotics Symposium Scheduled

A symposium on "The Use, Abuse, and Control of Narcotics" has been scheduled March 30 at West Texas State University by the departments of history and government.

"We are especially inviting social studies teachers of the area, but all other interested persons are welcome," said Dr. Duane Guy, head of the history department.

The program will open at 9:30 a.m. in the auditorium of the Old Administration Building. Three speakers will appear on the morning program, and a panel will conclude the afternoon session.

Speakers will be Robert M. Hinds, regional director of the Bureau of Drug Abuse Control in Dallas; Kenneth Decker of Midland, northern regional director of the narcotics division of the Texas Department of Public Safety; and Paul Galtner, sheriff of Potter County.

First Soccer Team Is Organized

Twenty West Texas State University students have signed up for the first soccer team to be organized on the campus. The group had its first practice session Saturday morning, north of Jarrett Hall. Next practice session will be at 9:30 a.m. Saturday, north of Jarrett Hall. All students interested in the sport should attend the practice session Saturday.

Tom Boutell, Dallas sophomore, was instrumental in organizing the team, along with several friends. Boutell and his brother started a team in Arlington which proved to be successful and gained school recognition.

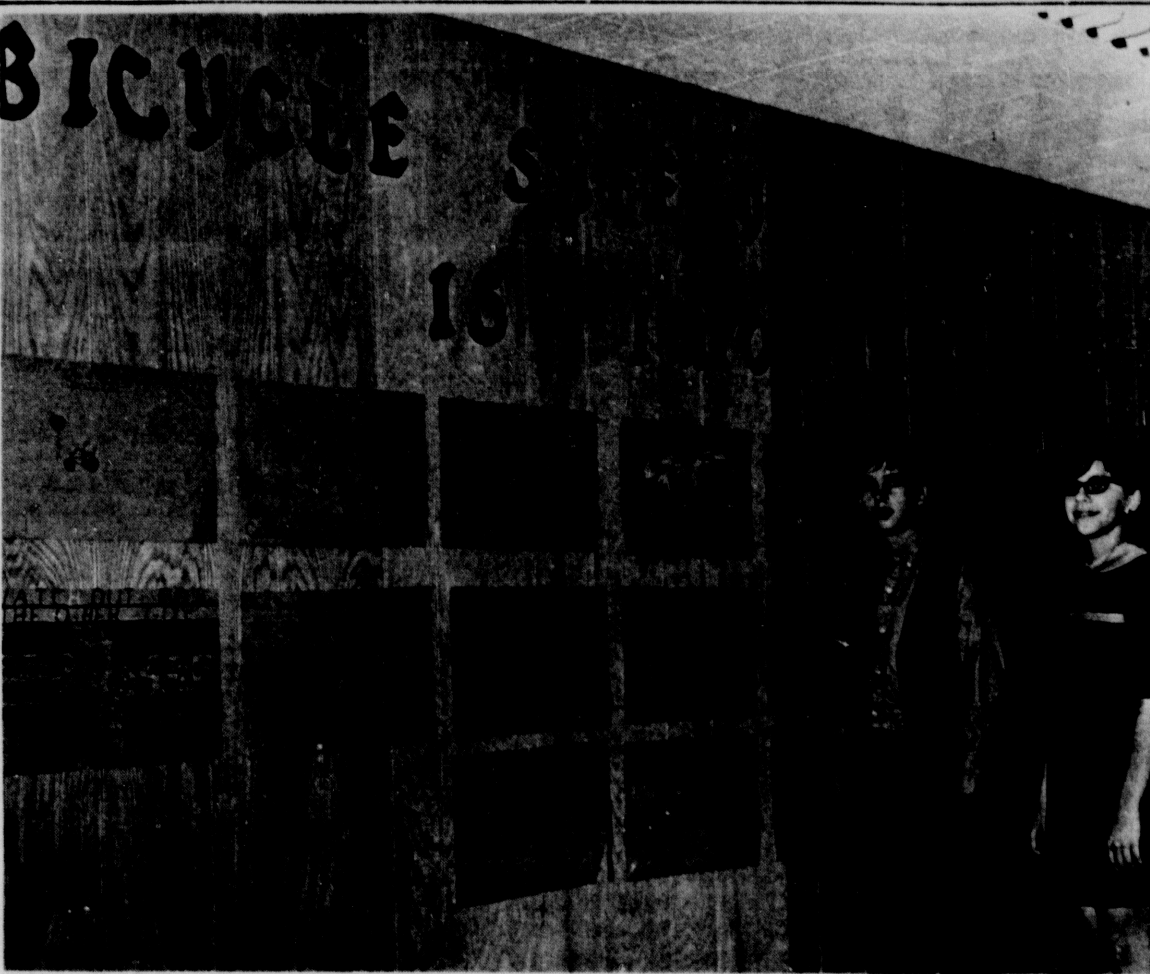

"When we get it organized here fully," said Boutell, "we hope to compete with school sponsored teams from Texas Tech and Arlington."

Boutell learned to play soccer while on duty in Vietnam. He said he hoped the "team will play before some of the football games in the fall or during the halftime shows."

Other include Arthur Bort, Gruver senior; John Coppack, Amarillo junior, native of Liverpool, England; Gene Pruitt, Arlington junior; Ed Wright, Happy sophomore; Tom Boutell, Dallas sophomore; Tomas Duran, Canyon junior, native of Cuba; Billy Kittle, Rule sophomore; Angel Hurtado, Chicago freshman, native of Huanacayo, Peru; Tilden Moore, Miami freshman; Mike Casey, Midland senior, and Tony Guillen, Amarillo sophomore.

Others are Jon Low, Canyon senior; Mike and Pat Parmley, Monterey, Calif., sophomores; Vince Celentano, Ridgewood, N.J., junior; Juan Valencia, Belize, British Honduras, freshman; John Eder, Corpus Christi senior; Kitipot Charveja, Bangkok, Thailand junior, and Ekrem Spahic, Dumas junior, native of Tuzla, Yugoslavia.

High School Counselors Visit WT

Some 40 area high school counselors were told Tuesday morning that a West Texas State University student receives counseling from the day he enters the university until the day he graduates.

Counseling encompasses problems encountered by the student from academics to his personal life.

The high school counselors attended a conference with deans and department heads of the schools and colleges at WTSU. WT officials explained counseling services offered college students.

The seminar featured short lectures by Dr. Ray Malzahn,

dean of the College of Arts and Sciences; Dr. Kenneth Laycock, dean of the school of teacher education; and Dr. C. C. Callarman, head of the school of business.

Dr. Callarman told the coun-

1. Will we have the necessary improvements to our overloaded sewer system. The present system could in the near future present a health hazard to our community.
2. Will we make the necessary street improvements for our own safety to say nothing of the added beautification of areas involved.
3. Will we make the necessary improvements and expansion of our present dump ground in order to eliminate the eyesore of blowing trash and the pollution of the very air we breath.

Snowfall Heralds Spring

Spring came to Canyon Wednesday in the form of blowing snow and temperatures that dropped into the low 30 degree readings.

Light blowing snow began here early Wednesday morning and a five-day outlook prepared by the US Weather Bureau in Amarillo indicates more moisture can be expected during the remainder of the week. Temperatures, the outlook indicates, will be from three to ten degrees below the normals of 64 high and 34 low. About .10-.30 inches of moisture, in the form of rain and snow, is expected today, Friday and Saturday. A slight warming trend is expected toward the weekend and scattered showers are anticipated the first of next week.

Below are the readings from the Canyon Weather Station on the campus of West Texas State University. These are for the days of March 13 through March 19.

Organization Holds Meeting

Officers were elected for the coming year at a recent meeting of the Zeta Delta Chapter of Delta Kappa Gamma. Those elected include Mrs. John Duncan, president; Miss Mary Simmons, first vice president; Mrs. Stanley Nunn, second vice president; Mrs. J. P. Strickland of Canyon, second vice president; Miss Mary Kay Campbell, corresponding secretary; and Patsy Morris, treasurer.

A panel composed of Miss Louise Hamm, Mrs. J. Arthur Herron, Mrs. Mattie Bull, and Mrs. Mabel T. Rogers discussed "Value Patterns".

Hostesses for the affair, held in the home of Mrs. Morris of Amarillo, included Mrs. Raymond Powell, Mrs. Kathryn Rentrow, Monette Wilson, Elvira McKissick and Miss Mary Kay Campbell.

Next meeting of the group will be April 20 at 2 p.m. in the home of Mrs. Ken Hicks, 3309 Bush in Amarillo.

Mrs. W. R. Wilson of Canyon will present a program entitled "Music and Values".

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL5-2141, or stop by the News office on the west side of the square.

Revival Concludes

Youths of the First Baptist Church were in charge of Sunday School and other regular activities at the First Baptist Church Sunday morning.

The church had an attendance of 565 in Sunday School to round out the Youth Week revival. The youth choir sang during morning worship under the direction of Danny Clark.

Phil Hall served as evangelist for the revival.

Youth of the church sponsored an open house at the Youth Activities Building, Third Avenue and 16th Street, Sunday afternoon.

Vandergriff explained, "that West Texas State University has had an active foundation seeking financial support for the school."

He termed the foundation "one of the most important steps in developing a university this region deserves."

The foundation will not only receive gifts, he added, but will also seek contributions from other institutions and foundations.

The nine-member board for the organization includes, Henry Sears, chairman, president of the First National Bank of Hereford; Farris Oden, vice chairman, president of the Western National Life Insurance Company of Amarillo; Connolly Lockhart, treasurer, Amarillo lawyer; James E. Jenkins, trea-

surer; Jenkins-Moreland Certified Public Accountants of Amarillo; Milton Morris, director of Student Financial Aids at WTSU; Dr. Frank Daugherty, director of earth sciences at the Killgore Research Center; Dr. Zeke Marchant, head of the WTSU Department of Business Administration; Bob Bellah,

First National Bank building in September of 1951. In 1954 five lots and a building were purchased in the 1700 block of Fifth Avenue and the service office was moved to this location.

Plans were completed in 1963 for the construction of the present building, which was constructed and occupied in May, 1964.

burial of all refuse at the dump ground in deep trenches.

Dr. Moore questioned whether this might not contaminate underground water. City officials have contended that clay underlying the proposed new land fill area will protect underground water from contamination.

Dick Flenniken, who lives three-fourths mile north west of the dump ground in a house formerly owned by Dr. Moore, also questioned expanding the facility.

"It's absolutely a health hazard," Flenniken declared, explaining that dead animals have been left uncovered at the dump grounds for six weeks. "I've already got a fly problem," he added.

Stating he was unaware that city employees had dumped dead animals at the land fill area, Mayor Paul Lindsey expressed the opinion that those who were complaining had been fully aware that the dumpground was nearby when they built their homes.

"I can't see moving it just because people have built around it," Mayor Lindsey said of the dump ground. "It's going to adjoin somebody somewhere, no matter where we move it."

The mayor added that plans at the expanded dump ground call for a full-time attendant, partially paid by funds from Randall County.

"We need some measure of control on the current site," Flenniken insisted. "I already have a pack of wild dogs out there."

Fletcher Sims, who also lives near the dump ground, said he took water samples to Amarillo twice yearly for testing and Flenniken said he followed the same procedure every 30 days.

Of the \$25,000 planned for expansion of the dump ground, \$8,000 would be provided for land to be purchased from J. D. Barker. Sims said land might be purchased elsewhere at a lower price. The deal with Barker calls for purchase of 24 acres just south of the present dumping area.

Commissioners said they would contact City Engineer Bill McMorries of Amarillo to determine if the dumpground could be moved to a new location.

Mrs. W. E. Parker was also present to discuss paving of 28th Street between Tenth and Eleventh Avenues.

Mrs. Parker said the street was not dedicated, but rather was owned by her.

Commissioners said they would study the matter.

president of the West Texas Ex-Students, Inc.; and Bob Watson, general manager of KGNC-TV in Amarillo.

Vandergriff said present plans call for housing the organization in the WTSU Student Union Building with the ex-student group and increasing the nine-member board to an eventual 25.

The foundation will meet annually and on call, he added, to maintain organization business and activities.

Those appointed to an investments committee include Oden, Virgil Henson, WTSU financial vice president; and Pat Babb, Amarillo stockbroker.

Serving on an auditing committee will be Robert Hibbetts, CPA from Amarillo; Wilmer Graham, Tulsa CPA; and Bill Haggard, head of the WTSU Accounting Department.

The organization, Vandergriff explained, is chartered by the State of Texas and all donations are tax-free.

have prevented that." Board President Wesley Cox said it looks like pressure groups are getting more all the time but added that a CRT bargaining group could help the school.

"Salaries are not all they talk about," declared Jacobs. "They talk about curriculum and they talk about the children a lot. I don't think it is meant to be a pressure group but it could be."

"If we understand each other, they might not want so much," declared LaGrone. "I think you're dreaming," retorted Board Member Bill Davis.

"Do labor organizers encourage them?" asked Joe Gill. "No," replied Jacobs.

"I think they do," said LaGrone.

LaGrone added that he does not think there is anyone on the Canyon faculty who would vote to strike.

Jacobs told the board he ran into a snag when high school administrators began use of numbers so computers at West Texas State University could be used in registration of students.

Applications were made for social security numbers for students and the numbers were to be used in computerizing student records. A number is absolutely necessary if computers are to be used, he declared.

The father of one student insisted that his child not be provided with a social security number and that no number be assigned to him.

"That's absolutely unreasonable," declared LaGrone in commenting on the attitude of the parent.

"We're going to assign him a number," said Jacobs.

The board appointed possible members of the school board of equalization. These include Earl Marrs, Jim Fletcher, Wilford Taylor, Tom Black, Don Olson and Fred Begert.

The board voted to allow teachers to purchase tax sheltered annuities from more than one company on a payroll deduction plan. Jacobs said a Class Room Teachers committee will make a study and pick out several companies which will be allowed to participate. He said the committee will also study a hospitalization plan for school personnel.

The board discussed the school's contract with Jim McMorries & Associates, a tax evaluating firm.

Jacobs told the board that two applicants for posts as assistants to Coach Dunny Goode will be interviewed.

The board voted to participate with A. L. Crossland in paving a block of Eleventh Street on the east end of the high school football field.

Jacobs announced that the annual school board workshop will be held at the West Texas State University Student Union Building April 11.

A bid of \$55 by George Taylor was accepted for the old FFA school bus.

Resignations of several teachers were accepted. These include Edra Hudson, Mary Carter, Helen Currie, Mary Jo Stilp, Betty Meredith, Geary Taylor, Jackie Maness, Allen Wadsworth, Bob Wright and Bob Riley.

Mrs. Elizabeth Posey, formerly of Brownfield, was employed to teach next year in junior high school.

A list of faculty members for next school term was approved by the board.

The board decided to begin school next fall on Sept. 3. Next school term will end May 30, 1968.

He stated. He now manufactures about 25 tail water pumps all of which he has designed. Had the foundation not helped Dobbs when his business was destroyed, he would have been forced to base his operations in Amarillo.

"We were in Amarillo for about four months after the tornado," he said, "due to a lack of facilities here, but we were barely able to get most of our equipment out of the weather and were able just to do the bare necessities there."

Dobbs, who had been in the pump business for about four years, said while the disaster of last July had almost halted his operations, the foundation here had been very helpful.

"The foundation was very nice to me," he declared. "It was a big help under the circumstances."

Asked if he planned any expansions for his business, Dobbs said "we have continued to grow some every year and hope to do more in the future."

Since that time, Consumers has purchased Randall County Grain facility at Ralph Switch and Farmers elevator in Canyon.

In addition, a new office building and farm store has been constructed at the headquarters site. The firm also operates a farm store at Ralph Switch. "Arnold has the respect of the people in the grain trade," commented Newton Crain, president of the Consumers board of directors.

In community life, Prichard has been an ardent supporter of the Canyon Eagle athletic program. He has been an active member of the Eagle Booster Club.

Arnold and Mrs. Prichard have two children, Stanley, a student at West Texas State University, and Deana, a junior high school student.

Applicants to fill the vacancy left by Prichard's resignation are presently being interviewed by the Consumers board of directors.

Guy Hamblen of Canyon, state director for Area I Jaycees, will be in charge of the installation of officers. Those to be installed for the 1968-69 term are Weyman Brown, president; Bill Blackburn, vice president; Jim Scott, secretary-treasurer; Delbert Turk, inter-club director; and Terry Clark and Don Fatout, directors.

Current Jaycee president, Delbert Turk, will be in charge of the program of awards as the "outstanding Canyon Jaycee" is named and awards are presented to the outstanding committeeman and other club awards are given.

Area Jaycee members and their wives have been invited for the event which will conclude with an installation dance at the Ollirama Building, north of Canyon, at Rockwell Road and the Canyon Expressway, near Stuckey's.

WTSU Students Finish Course

Ten WTSU geology majors from West Texas State University have completed a special course in geology sponsored by the Panhandle Geological Society.

They were Vincent Celentino, Ridgewood, N.J., senior; Charles L. Fields, Friona junior; David Hamilton, Childress junior; George Johnson, Reedley, Calif., senior; Gary Mas-singill, Snyder junior; Erwin Meckel, Canadian senior; James Osburg, Midland senior; Robert M. Randall, Amarillo junior; William Roberts, Amarillo junior; and Gayland Simpson, Tell senior.

Dr. James Underwood, associate professor of geology, explained that the lectures, given last week Wednesday, Thurs-

day and Friday were part of a continuing program by the American Association of Petroleum Geologists.

The lecturer at Amarillo was Dr. Daniel A. Busch, visiting professor of geology at the University of Oklahoma. The topic was "Sandstones--Applied Subsurface Stratigraphy."

Promotion Discussed

Plans for a forthcoming promotion were discussed Tuesday afternoon at a meeting of the Canyon Downtown Merchant's Association.

Members of the group heard Paul Davis, city manager, talk on a proposed \$440,000 city bond issue which goes to the voters April 2. If approved, the bond issue would provide funds for garbage, sewerage and street improvements.

Regular meeting of the association is 2 o'clock in the afternoon the second Tuesday of each month in the district court room in the Randall County court house.

Hinders Cow Top Producer Happy Man Is Promoted

Palo Duro Starlight Empress 5905740, a three-year-old Registered Holstein cow owned by Louis G. Hinders, Palo Duro Holstein Farm, Canyon, produced a noteworthy record of 20,710 lbs. of milk and 753 lbs. of butterfat in 321 days.

Texas A.&M. University supervised the production, weighing and testing operations in cooperation with the official breed improvement programs of the Holstein-Friesian Association of America.

This level of production may be compared to the average U.S. dairy cow's estimated annual

output of 8,513 lbs. of milk containing 315 lbs. of butterfat.

A SIMPLE TEST FOR EMPHYSEMA

Advanced Emphysema and chronic bronchitis have caused millions of respiratory cripples. These diseases start slowly and early symptoms are not too troublesome. Many people wrongly ignore them. The best chance for control is an early detection and prompt treatment. Watch out for morning coughing spells or shortness of breath during your daily activities.

Take this match test. Light an ordinary match and hold it lit about 12 inches from your mouth. Take a normal breath and then "buff" out the match without pursing your lips. If the match is not blown out you may have emphysema. See your physician for a positive diagnosis.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

AREA I VICE PRESIDENT, Kay Smiley, seated left, was in charge of installation ceremonies for the Canyon Jaycee-Ettes Monday evening. Officers installed were Mrs. Jim Scott, seated right, president, and standing, from left, Mrs.

Tommie Terrell, secretary; Mrs. Charles Marshall, inter-club director; Mrs. Weyman Brown, vice president; and Mrs. Delbert Turk, treasurer.

Gene Howe Brownies Take Part

Brownies of Troop 33 at Gene Howe Elementary School participated in Girl Scout Week activities by sitting together March 10 as a group at the Hollywood Baptist Church, where they were recognized by the pastor, Fred Keese.

The girls also participated in the Girl Scout Circus that afternoon at the Armadillo Fair Park Coliseum. They marched in the grand entry and were entered in the various Brownie games.

Brownies participating were Clair Ellen Davis, Pamela Gross, Susan Bagwell, Liz Coronado, Susie Vick, Valerie Freeman, Rene Mester and Kathy Hornsby.

Calvary Baptist Spring Revival

A spring revival at Canyon's Calvary Baptist Church will be held here March 31-April 7, according to the Rev. A.C. Freeman, local pastor.

Rev. Freeman said Bob Calahan, music and education director at the Paramount Baptist Church in Amarillo, would lead the singing at regular Sunday services and those planned at 12:10 p.m. Monday through Friday. Following the daily services, lunch and visitations will be conducted.

Evening services during the week will be at 7:30 p.m. and the Sunday services will be at 11 a.m. and 7 p.m.

Music Slated For Program

Musical selections arranged by Royal Brantley, West Texas State University associate professor of music, will be presented at a Canyon Rotary Club Ladies Night Tuesday.

The program will be conducted beginning at 7:30 p.m. in the East Cafeteria at WTSU.

Water, Inc., project directed toward bringing water to the Panhandle region from the Mississippi River, was the topic of discussion at the Rotary Club observation of Farmers Day Tuesday.

The group has regular meetings each Tuesday at noon in the American Legion Building here.

Jaycee-Ettes Install Slate

Mrs. Jim Scott was installed as president of the Canyon Jaycee-Ettes at a salad supper and awards program Monday evening in the home of Mrs. Weyman Brown, retiring president.

Other officers installed with Mrs. Scott were Mrs. Weyman Brown, vice president; Mrs. Tommie Terrell, secretary; Mrs. Delbert Turk, treasurer; and Mrs. Charles Marshall, inter-club director.

Kay Smiley, vice president for Area I Jaycee-Ettes, was

in charge of the installation ceremony.

The awards program included the presentation of six "hopping hen" certificates to club members including Mesdames Don Fatout, Charles Marshall, Delbert Turk, Jim Scott, Guy Hambley, and Weyman Brown.

Mrs. Jim Scott was presented with an engraved silver tray as she was named the club's "outstanding Jaycee-Ette".

Mrs. Scott was selected by fellow club members by secret ballot at a recent club meeting. She will be nominated by the club for the state honor this spring.

Banquet decorations featured a spring theme with table favors featuring nut-cups with miniature umbrellas and the programs were spring-colored umbrellas.

Mrs. Delbert Turk opened the meeting with an invocation. The president, Mrs. Brown, was in charge of the welcome and awards, and the program was concluded with the Jaycee-Ette Creed, led by Mrs. Carl Miller.

Accompanying Mrs. Smiley to the meeting were several representatives of the Pampa Jaycee-Ettes including Nelda Lancaster, Carol Williams, Judy Warner and Jerri Biggers and Mrs. Lo Ann Clark of Amarillo Jaycee-Ettes.

Representing the Canyon women's club were Mesdames Charles Marshall, Jim Scott, Weyman Brown, Delbert Turk, Tommie Terrell, Guy Hambley, Don Fatout, Carl Miller and club guests, Mrs. J. W. Sims, Mrs. Terry Clark and Mrs. Don Edds.

Methodist Will Meet

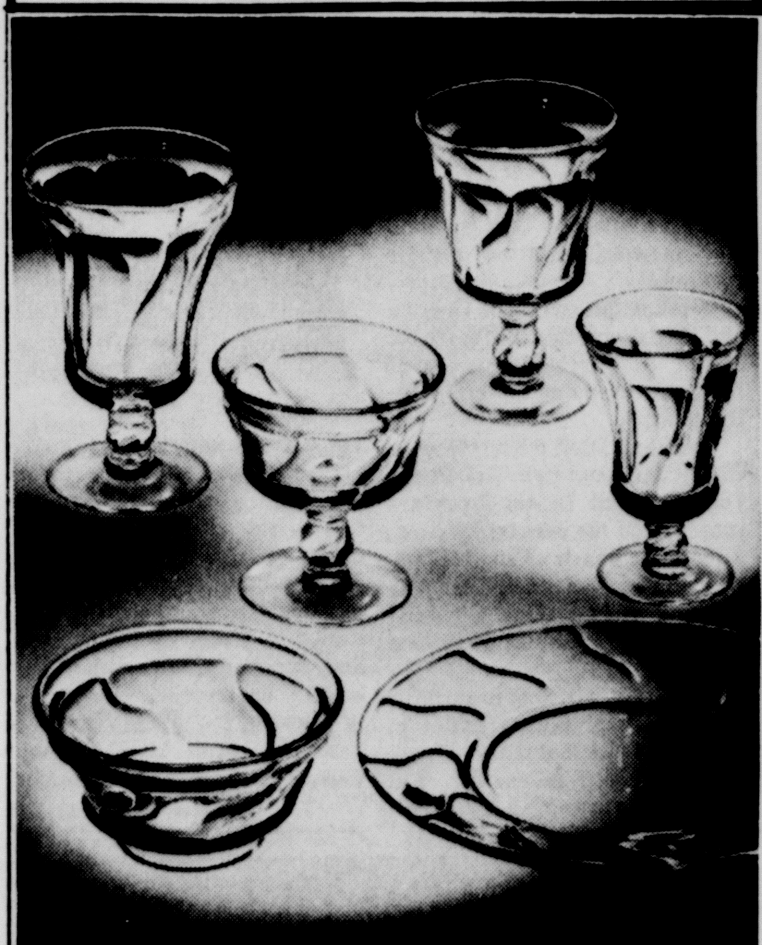

A meeting of the official board and the Fourth Quarterly Conference of the First Methodist Church of Canyon will be conducted here Wednesday.

Presiding at the meeting, which will be held in the church's Fellowship Hall, will be the Rev. Charles Lutrick, district superintendent, and Jack Downing, board chairman. A salad supper will be served at 7 p.m. and election of officers for the coming year will follow.

MARY MITCHELL, who plays the witch in "Whirligig" is costumed in a gown which required 3,000 individually attached peacock feathers. Miss Mitchell was named best district and regional actress in the University Interscholastic League contest play last year and was also named to the all-star cast when

the play was presented at the state contest last spring. She is performing as the witch in the current one-act play from Canyon High School which will be entered in district competition March 29 at West Texas State University.

1919 Firetruck Given To Local P-P Museum

A model 1919 Seagraves fire engine was donated to the Panhandle-Plains Historical Museum in Canyon by the City of Amarillo in ceremonies last Wednesday at the former National Guard Armory, in east Canyon.

Receiving the donation was C. Boone McClure, curator of the museum.

The fire engine, which measures 33 feet in length, was the first hook and ladder firetruck owned by the Amarillo Fire Department. The chain driven engine will still pump 750 gallons of water per minute, equal to the output of an irrigation well. The truck is

equipped with ladders adequate to serve a four story building and will travel at 30 m.p.h. Originally equipped with solid rubber tires, the truck tires were removed about 25 years ago and replaced with more modern pneumatic tires, according to Henry Hertner, chairman of the Potter County Historical Survey Committee, who was on hand for the presentation.

The firetruck has been located at Amarillo Fire Department, Unit No. 1 on Van Buren, for many years.

McClure said that the "firetruck will be located at the former National Guard Armory

in Canyon along with a 1910 Case tractor recently given the museum."

"We presently have a six months lease on the building and are waiting for purchase approval from the government on the facility," stated McClure. Current plans call for moving several cars from the museum to the new facility and for additions from local collectors, according to McClure.

"We have two old Cadillacs of historical interest which we hope to get in the near future," said McClure. "We also have a buck rake, hay rake, hay baler and a one-row wheat drill which have been donated by Arch Hunsley. We only need transportation to move some of these articles to the new location."

"The armory is presently being used as storage, but we hope to open it to the public when our displays are completed," McClure said.

McClure also anticipates the donation of a 1918 Oldsmobile truck and a 1910 treshing machine in connection with the recently donated 1910 Case tractor.

The Oldsmobile trucks were only made one year, according to McClure, and the only other one known to be in existence is the truck used on the "Beverly Hillbillies" television show.

McClure is also inspecting the possible donation of a 60-piece collection of horse drawn farm equipment.

"We plan to turn the Armory Building into a museum section devoted to transportation and agriculture," concluded McClure.

Law-Order Essays

An essay contest on "law and order" is being conducted at Canyon High School in conjunction with the school's Americanism Week.

Sponsored by the Canyon Kiwanis Club, the essay contest offers a \$200 scholarship to the author of the winning essay. The contest is open to all high school students and is limited to between 500 and 1,000 words. Entries should be written or typed and must be submitted to the various English teachers at the high school by Friday, March 29.

In addition to the \$200 scholarship (which is for the college of the winners choice), contest prizes will also include engraved plaques for first, second and third place.

Purpose of the contest is to pay tribute to the overwhelm-

ing majority of American youth which is law abiding and behaves in an orderly manner. The contest will also give students an opportunity to express their own ideas on law and order and what it has meant and will mean to the future of their country. The contest is designed to stimulate the local young people to examine the spiritual and material benefits derived from law and order and to recognize the ideas that high school students have on the subject.

Entries become the property of the Canyon Kiwanis Club and judging will be based primarily on originality and subject content. Grammatical construction will also be given consideration in judging the essays.

Winning essays will be printed in The Canyon News.

C. BOONE MCCLURE, right, curator of the Panhandle-Plains Historical Museum in Canyon looks over a 1919 Seagraves firetruck donated by the City of Amarillo to the museum. Shown also are Henry Hertner, chairman of the Potter County Historical Survey Committee, and driver, E.W. Parkhill. The firetruck, which measures 33 feet in length, was driven to Canyon last Wednesday and will be located at the former National Guard Armory.

Original 'Whirligig' Is UIL One-Act Play

"Whirligig", a one-act adaptation of Oscar Wilde's "The Fisherman and His Soul", will be presented in the University Interscholastic League one-act play contest by Canyon High School drama students.

The play, which includes music, dance and drama, is set in the 14th century and was adapted for the contest by Eddie Thomas, speech instructor at CHS.

The play will be presented in Tulia Friday and will be given for public viewing at a Canyon High School assembly Wednesday morning at 11 a.m. No admission will be charged. An invitational performance is slated Tuesday night at 7:30 p.m.

The UIL district contest will

be conducted at West Texas State University March 29. In competition with the CHS play will be one-act plays from drama departments at Tulia, Peryton, Hereford, Dumas and Muleshoe high schools. Dr. Crannell Tolliver is in charge of UIL contest arrangements.

Andy Moreland plays the lead role of the fisherman. Pat Jarrett is the fisherman's soul. Mary Mitchell is the young and beautiful witch and Ric Wilson portrays the priest.

Others in the cast are Mike McKinzie, altar boy; Paul Grimes, Merrick the Irish gos-

sip; and Bea Thompson the Mermaid.

Also appearing as shadows will be Virginia Grimes, Mark Raillard and Jo Gray. Portraying the "movers of the waters" will be Mike McKinzie, Mark Raillard, Jo Gray and Virginia Grimes. The "monkey bats" are Jo Gray, Mark Raillard, Mike McKinzie and Virginia Grimes.

Darlene Williams is costume mistress. Miss Williams has made 28 complete costumes including one gown which features 3,000 individually attached peacock feathers. Miss Williams received a UIL award last year for her job as costume mistress for the district and regional winner "Case of the Crushed Petunias" presented by Canyon High School.

Mary Mitchell, who plays the witch in "Whirligig", was named best district and regional actress in the UIL contest play "Case of the Crushed Petunias" and also was named to the all-star cast when the play was presented in the state contest last spring.

Margaret Raef is assistant director for the production and Andy Sherrod is in charge of lights and sound for the nine scene show. Scenery is under the guidance of Marjorie Miller and Larry Wooten.

YELLOW JONQUILS are abloom in the yard of Mrs. Wilford Taylor, Sr., 600 15th Street. The jonquils brighten up a spot in the front yard. Other early blooming flowers were sighted in several yards throughout the city.

Defense Shines In Scrimmage

All-America halfback candidate Eugene (Mercury) Morris and fullback Albie (00) Owens continued to find their yards here Saturday afternoon, but they came grudgingly as West Texas State's defensive unit stole some of the thunder from the veteran Buff offense.

The occasion was the Buffaloes second intra-squad scrimmage of spring drills, and the 72-minute battle was punctuated by improved defensive play, and the offensive exploits of Morris, Owens and quarterbacks Roy Winters and Clarence (Pookie) Redic.

"The defensive units looked much stronger than they did last week," praised Head Coach Joe Kerbel. "Our new defensive players are making a rapid adjustment, and their improvement was obvious. They still made mistakes, but when you have seven new starters this can be expected. The defense showed a lot of enthusiasm, and this is indicative of a proud unit."

During the 72-minute scrimmage, the Buffs' number one offense was pitted against the second defense, and the second offense tested the first defensive team. The offense, led by the one-two punch of Morris and Owens, rushed for 528 yards. The second and third defensive units, who had the challenge of stopping the number one offense, surrendered 394 yardage steps. The first defensive unit allowed only 134 yards rushing.

In the Buffs' first spring scrimmage, the offensive unit gained 888 yards rushing as Morris personally accounted for 339 yards. This week, the fleet Pennsylvanian rambled for 185 yards on 24 carries and scored on runs of 13 and four yards. Owens, his Quacker State running, rambled for 150 yards on 23 rushes and added touchdown runs of 17 and four yards.

Quarterbacks Winters and Redic split time directing the first offensive unit with Redic also directing the second team offense.

Winters, who ranked 12th nationally in total offense last season, connected on 11 of 26 passes for 169 yards. He was intercepted once and threw one scoring pass, a 9-yard strike to flanker Charles Henderson. Winters also added 49 yards rushing and scored on a 2-yard sneak.

Redic, a poised sophomore-to-be from Odessa, completed 8 of 19 passes for 127 yards. One of his completions was a 44-yard scoring toss to flanker Leroy Broaden against the first team defense.

Aside from Redic's scoring pass to Broaden, the number one defensive unit's goal was

uncrossed. Last week the second offensive unit scored three touchdowns against the first defense.

Defensive line starters Willie Brown, Gary Henderson and Mark Sindel drew praise from line coach Lee Harrington for their Saturday performance. Of the three, only Brown was a starter in last year's defensive line. Henderson is a 205-pound transfer from Henderson County J.C. and Sindel is a transfer from Hartnell (Calif.) J.C. He was an All-America J.C. center at Hartnell.

"I thought Jesse (Powell) and Carl (Heilman) both did a good job at outside linebacker," said Linebacker Coach C. E. Dierking. "Our middle linebackers, Stan Hansen and Don Tate, also showed improvement."

Dierking was also pleased with the improvement of reserve linebackers Ron King, Ronnie Ragsdale, Troy Dunlap, and Harold Stuart. "I thought Stuart looked exceptionally good rushing the passer," praised Dierking. "He showed me a lot of desire."

Frank Bettencourt, who coached the Buff defensive backs, praised the play of safeties Ray Brown, Troy Anderson and Ralph Anderson and cornerbacks Billy Lantow, Frank Bettencourt, Jr., Hardy Williams and Larry Lamberon. "I hated to see us surrender two scoring passes but we intercepted a couple, and I was pleased with the way we tackled."

Veteran guards Eddie Golecki and Dag Azam and senior-to-be tackle A. Z. Drones received top grades among the offensive linemen.

Split-end Dick Flynn, flanker Gary Clark and tight-end Byron Jones turned in solid performances for the receiving corps. Receiver coach Ken McCulloch, also had praise for the work of flanker Charles Henderson who caught a 9-yard scoring pass.

The Buffs will hold their third scrimmage of Spring drills in Buffalo Bowl Saturday afternoon. Kickoff is set for 2:30 p.m., and the public is invited to attend.

James Joy Candidacy Announced

Judge James A. Joy, a candidate for Judge of the 7th Court of Civil Appeals, was a visitor in Canyon Monday.

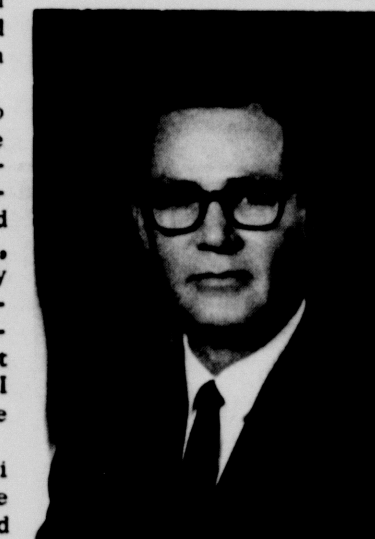

Judge Joy is the present District Judge at Plainview, having served in that capacity since 1961. Previously he had served as a county judge of Hale County.

There are 46 counties in the 7th Court of Civil Appeals District and Judge Joy says he is campaigning in all of them as time allows.

Judge Joy is married, the father of four children and is a member of the Church of Christ.

He is a native of Crowell in Foard County. He has been in the practice of law since 1952, having studied law at St. Mary's Law School in San Antonio. He also taught law at St. Mary's.

In World War Two, Judge

JAMES A. JOY

Joy was a veteran pilot. During his visit here, Judge Joy pointed out that there are three judges on the Seventh Court of Civil Appeals. . . Traditionally there has been one member on the court from Lubbock, one from Amarillo, and one from some other part of the District. . . Judge Joy is seeking the place being vacated by Judge Alton B. Chapman, formerly of Floydada, (POL. ADV. PD. FOR BY Friends of Judge Joy)

Three WT Profs Get Doctorates

Three West Texas State University professors have fulfilled requirements and have been granted doctorates, President James P. Cornette has announced.

They are Edward G. Brown, assistant professor of modern languages; Hubert Oppe, associate professor of sociology;

and Charles Townsend, associate professor of history.

Brown, who joined the WTSU faculty last fall, earned the Ph.D. in French from the University of Arizona, where he was a teaching assistant. He holds the M. A. from Arizona and the B. A. from Whittier College.

His dissertation, "The Tours Manuscript of Gui de Bourgogne, an Annotated Edition," is a study of a 13th Century French epic poem.

Oppe has received the Ph.D. from the University of California at Berkeley, and title of his dissertation is "Processes of Change in Generation Sequences." An instructor in sociology at Holy Names College in California before coming to WTSU in 1963, Oppe holds the A. B. from San Diego State and his M. A. from the University of California.

Townsend, who joined WTSU's history department last fall, earned the Ph.D. from the University of Wisconsin, where he was a Frederick Jackson Turner research assistant. His dissertation was "The Thought of Samuel Adams."

Townsend holds the B. A. degree from Midwestern University and the M. A. from Baylor University. He taught at Texas Tech, the University of Wisconsin, and Hardin-Simmons University before coming to WTSU.

News Brief

ABOUT 40 ATTENDED the public showing of cancer films last Thursday evening at the Olympic Theatre in Canyon.

Sponsored by the Randall County unit of the American Cancer Society, the films were concluded with a question-answer session with Dr. Dudley Moore in charge.

Films for women only were shown Tuesday evening at the Olympic Theatre.

UNIVERSITY STUDY CLUB of Canyon recently presented a check to the Randall County Little League for \$25 to aid the baseball program for local youngsters. Presenting the check to League President Bill Davis is Mrs. Allen Winters. The local USC raised the money through yearly projects.

Fall Injures Miss Thompson

Gail Thompson, daughter of Mr. and Mrs. Clarence E. Thompson, was thrown from a horse late Friday afternoon sustaining a broken right shoulder.

Miss Thompson was treated at Neblett Memorial Hospital until Sunday when she was transferred to Northwest Texas Hospital in Amarillo for surgery. Miss Thompson is at home now, and reported to be improving well, according to her mother.

Miss Albers In Listings

Beth Albers has recently been selected to appear in the 1968 edition of Who's Who Among Students in the Kansas Phi Beta Lambda, national business fraternity.

The award was made at the state convention of Phi Beta Lambda at Kansas State Teachers College in Emporia, Kansas. Miss Albers has served as Kansas state recording secretary during the past year.

She is a sophomore parish worker at St. John's College in Winfield, Kansas and a 1966 graduate of Canyon High School.

BETH ALBERS

Rex Reeves Students To Spelldown

Spellers selected at Rex Reeves Elementary School for the county spelldown March 29 have been announced.

Winners in the sixth grade division were Jana Burton, Dana Pedersen, Mackie Williams, Judy Carpenter and Stephanie Dawdy.

Spellers selected from the fifth grade are Richard Boston, Cheryl Sykes, Kevin Willis, Rodney Thompson and Charleen Moulton.

Vandalism At Refuge

Several acts of vandalism have recently been committed at Buffalo Lake, according to Refuge Manager Gordon Hansen.

New traffic signs on the west side of the lake were either stolen or destroyed, many new trees were uprooted and fire grills and garbage cans have been stolen.

"This will not be tolerated," Hansen declared, explaining that violators would be taken before the US Government Commissioner in Amarillo for possible legal action.

Fines not to exceed \$500 or six months in the federal penitentiary can be imposed, he added.

To eliminate some of the vandalism, John Fritch, West Texas State University football coach, has been employed at the refuge as a patrolman.

"We want to make the lake presentable and to provide facilities for visitors to enjoy," Hansen stated.

Students In Alpha Chi

Several Canyon students at West Texas State University were among 55 new members initiated into Alpha Chi, honorary scholastic fraternity.

Dr. Wendell Cain, professor of speech at WTSU, made the announcement.

Those seniors from Canyon initiated include Betty J. Andrews, Jimmy A. Axe, Fred Q. Blount, Ronald C. Corby, Barbara S. Jones and Jane R. Munsell.

Juniors included James R. Cook, John W. Hillen, Jr., Elva J. Shepic, Norman R. Smyrl, Charles N. Starnes and Diana L. Williams.

Among those 18 promoted to senior standing included John S. Brantley, Carol L. Carter, Kenneth Crossland and William F. Kinslow.

Marker Erection Slated In March

Two official Texas Historical Markers will be erected during March according to Mrs. Terry C. Martin, chairman of the Randall County Historical Survey Committee.

A marker honoring W. F. Heller will be placed one and a half miles southwest of the Randall County Courthouse at Canyon. The second marker honoring the German settlement of Umbarger will be placed at Umbarger on U. S. Highway 60 and Buffalo Lake Road, according to Mrs. Martin.

Dedication ceremonies for both markers will be announced later by Mrs. Martin. Both markers are sponsored by the Randall County Commissioner's Court.

Both markers and their locations will appear in the upcoming edition of "Guide To Official Texas Historical Markers", in tourist guides and on maps to stimulate tourist interest in the area. The marking of local historic sites and landmarks is part of the Texas State Historical Survey Committee's 5-year RAMPs Program to Record, Appreciate, Mark, Preserve and Survey the history of Texas.

Text of the markers read: HOMESITE OF W. F. HELLER, PIONEER FARMER, NATIVE TEXAN, CIVIL WAR VETERAN (1861-65); SETTLED HERE IN

1887. WAS FIRST TO FARM AREA SUCCESSFULLY, WAS ELECTED FIRST CLERK WHEN COUNTY ORGANIZED 1889, ALSO HELPED ORGANIZE FIRST SUNDAY SCHOOL, 1890. MARRIED SUSAN ROBERTS, SEPT. 1897. HELPED START WEST TEXAS STATE NORMAL COLLEGE. (1967) A FRIEND TO STRANGERS IN OUR COUNTY.

Gideon Bibles Distributed Here

Several Gideon Bibles were placed in Neblett Memorial Hospital, La Casa Canyon Rest Home and some business establishments here last week through efforts of the First and Second Grade Sunbeam Bands of the First Baptist Church. The 87 Bibles, all of the King James version, were donated by Canyon churches and sup-

plied by the Gideon Society, organization composed of Christian businessmen from Amarillo.

Thirty-six of the Bibles, of which 32 were of large print, were placed in the La Casa Canyon Rest Home. Six were supplied to the Randall County Jail which the Gideon's contact each week for talks with inmates.

The project, where the Sunday School youngsters were to actu-

ally participate in some form of missionary work, originally was to place one Bible in the local hospital.

Mrs. Charles Fowlkes, who with Mrs. Jack Williams is a leader of the youngsters, said the project "snowballed" and

the Bibles were placed in the hospital and rest home as well.

The children in the class earlier made the contacts and five representatives of the Gideon Society made a dedication where each Bible was distributed Saturday.

FUTURE FARMERS OF AMERICA at Canyon High School purchased and assembled this livestock weighing scale to be used in club projects. Helping assemble the scales, that were purchased for \$250 from a Fort Worth firm, are, left, Ralph Batenhorst, Bobby Ellis and Mark Moore.

FFA Chapter Buys Scales

A set of animal weighing scales was recently purchased by local Future Farmers of America members for use in club work, according to Jim Walker, organization sponsor and Canyon High School agriculture instructor.

The scales, which were assembled last week by members of the local FFA chapter, was purchased from the Sure-Weight Scales Company of Fort Worth for \$250.

The scale will be used in checking beginning weight, daily gain and final weight of swine and sheep projects, Walker said. The scale, he added, will provide needed information on the progress of each animal, thus providing better management information to each of the students in the chapter.

The device was purchased with money raised from various club projects throughout the school year.

The chapter has set a live-stock trailer as the next goal to purchase this year.

MRS. DARYL EVAN PLANK

Miss Robinson Bride Of Plank

Miss Shirley Jean Robinson became the bride of Daryl Evan Plank in a double ring ceremony confirmed Saturday at Joseph A. Hill Chapel on the campus of West Texas State University with Dr. Strauss Atkinson, pastor of the First Baptist Church officiating.

The bride is the daughter of Mr. and Mrs. Edgar Robinson. She is a granddaughter of Mr. and Mrs. C. S. Devenport and Mr. and Mrs. E. C. Robinson of Happy.

Parents of the bridegroom are Mr. and Mrs. John S. Plank of Amarillo. He is the grandson of Mr. and Mrs. E. E. Plank of Canyon.

Appropriate nuptial selections were presented at the organ by Mrs. Jimmy Newton and her husband, Jimmy Newton, sang "More" and "One Hand, One Heart". Traditional wedding music was presented before and after the ceremony.

Nuptials were exchanged at the altar which was flanked with urns of white gladioli and azalia pink daisies and arrangements of seven-bract candelabra. Baskets of gladioli and daisies were arranged on either side of the open Bible. The traditional white aisle cloth was used.

Mrs. Patsy Burris, sister of the bride, was matron of honor. She wore a full length gown with empire waistline in an azalia pink color. She carried a bouquet of daisies.

Shower Honors Miss Robinson

Miss Shirley Jean Robinson, bride-elect of Daryl Evan Plank, was honored with a miscellaneous bridal shower at the home of Mrs. Louis Henders recently.

Guests were received by Mrs. Henders, Miss Robinson, Mrs. Edgar Robinson, mother of the bride-elect, Mrs. John Plank, mother of the bridegroom, and grandmothers of the couple, Mrs. C. S. Devenport and Mrs. E. E. Plank.

The tea table was centered with a bouquet of white stock and pink azalia daisies and the punch, mints, and party cookies were served by Mrs. Jim Whinnery, Miss Jimmie Pope and Mrs. John Plank.

Hostesses for the occasion were Mesdames E. W. Miller, Everett Culp, Willard Middleton, Quentin W. Gill, Merle McFarland, Eugene Bonds, Earl J. Davis, S. G. Elliott, Riley Troth, Newton Crain, Dorothy Owens, W. T. Robinson, D. C. Gamble, C. E. Thompson, J. C. Newton, Louis Henders, Sr., Earl B. Cosby, and Cone Johnston.

Miss Angel Is Honored

A miscellaneous bridal shower honoring Miss Mary Angel, bride-elect of Tony Williams, was held last Monday in the home of Mrs. Emil Olson.

Receiving guests were Mrs. Olson, Miss Angel and Mrs. Wayland C. Angel, mother of the bride-elect.

Guests were registered by Miss Kathryn Harris and Miss Patricia Tilger.

The tea table featured the bride-elect's chosen colors of pale green and pink and was complemented with silver and crystal appointments. Pink tapers flanked the spring bouquet of pink and pale green daisies. Presiding at the table was Mrs. Marshall Rockwell.

Assisting Mrs. Olson with hostess duties were Mesdames Marshall Rockwell, Forest Gruner, John Cook, L. S. Johnson, Ralph Ruthart, E. A. Michael, B. E. McCormick, J. R. Parker, Jack Parsons, Ray Metclaf, W. B. Harris, A. K. Goodman, Bryce Slack and Jo-zach Byrd.

Marriage Announced

Miss Doris Ruth Smith and Joseph N. Valliant, Jr. were married in ceremonies February 24 at Houston's Trinity Episcopal Church.

The bride is the daughter of Mrs. Lillian G. Smith of Canyon and Roy V. Smith of Hereford. Parents of the bridegroom are Mr. and Mrs. J. N. Valliant of Bellevue, Maryland.

Mrs. Beverly Lennon was matron of honor and her husband, David E. Lennon, served as best man. The bride wore a white crepe street-length dress with a white lace mantilla and a corsage of white orchids for the ceremony.

The double ring ceremony was performed by Rev. Arthur Knapp, pastor of the church.

A former student of West Texas State University, the bride is a legal secretary for the Houston law firm of Dow, Dow, Cogburn and Dow. She also attended the University of Houston.

Her husband is a graduate student at the University of Houston. He is a graduate of Washington College in Chestertown, Maryland and was formerly editor of the State Register and Bi-State Weekly in Laurel, Delaware.

The couple will make their home in Houston.

Mr. and Mrs. Carl Miller, daughter, Carolyn, and Miller's sister, Debbie, spent last week end at Maple, Texas visiting with Mrs. Miller's parents.

Best man was Gene Sparks of Hereford. Ushers were John Plank and Jerry Harbert.

Guests were registered for the wedding and reception by Ann Hardaway.

Given in marriage by her father, the bride wore a formal gown of candlelight imported silk organza over bridal taffeta with Alencon lace and trimmed with iridescent crystals and seed pearls. The long bell sleeves were applied in lace and accented with pearls. The neckline had a standaway roll collar and the chapel train cascaded from the back shoulder line. Lace motifs accented the train.

Her veil was a bouffant cascade of silk illusion attached to a cluster of pearlized orange blossoms. The bouquet, which she carried, was a cascade arrangement of roses and gardenias. She carried the bouquet atop a Bible.

The Baptist Student Union Building on campus was the site for the wedding reception. The bride's table was laid with a satin tablecloth and centered with roses and candelabrum. The three tiered wedding cake and punch were served by Miss Jimmie Pope and Mrs. Jim Whinnery.

The groom's table was covered with white linen, centered with a silver coffee service and chocolate cake and nuts were served by Mrs. John Plank and Laura Harbert.

For travel, the bride changed to a blue linen suit with bone accessories and wore a corsage of white roses. The couple will make their home at 4609 Bonham in Amarillo.

A junior at WTSU, the bride is employed as secretary for Nelson Auction Company in Amarillo.

The bridegroom has served four years in the service and is a business major at WT.

Out of town guests registered were Mrs. Richard Danna Burris of Tucson, Arizona; Mr. and Mrs. Rhett Plank and daughters of Houston; Mr. and Mrs. Bill Moore of Dahlart; Mr. and Mrs. Bernard Leslie and John Robert of Oklahoma City, Oklahoma; Mr. and Mrs. John Robinson of Gruver; and Mr. and Mrs. C. D. Pyeatt of Canadian.

Shower Fetes

Mrs. Turner

A miscellaneous bridal shower honoring Mrs. Harvey Turner, the former Diane Tuck, was held March 9 at the home of Mrs. James T. Hawthorne.

Guests were received by Mrs. Hawthorne, Mrs. Harley Westley, Miss Gail Turner, and Mrs. R. B. Turner, mother of the bridegroom.

The tea table was laid with white lace and centered with pink roses and white mimosas. Two pink candles flanked the arrangement.

Guests were registered by Mrs. Harley Westley.

Vows Set April 20

Miss Carol Lynn Gerber will become the bride of Thomas Wayne Sanford in nuptials set for April 20 at St. Mary's Catholic Church in Umbarger.

The bride-elect is the daughter of Mr. and Mrs. Ray Gerber of Umbarger. Parents of the prospective bridegroom are Mr. and Mrs. Wayne Sanford of Canyon.

A graduate of Canyon High School, the bride has been employed with the City of Canyon since October 1965.

Her fiancé, a graduate of Canyon High School, is presently in Special Forces training at Fort Bragg, North Carolina.

MRS. CHARLES ROSS BAKER

Campus Chapel Site For Marriage Vows

Miss Carol Joyce Anderson became the bride of Charles Ross Baker in ceremonies Saturday at Joseph A. Hill Memorial Chapel on the campus of West Texas State University.

Rev. Newton Starnes officiated at the exchange of double ring wedding vows. Mrs. Clovis Vernon of Happy, aunt of the bride, played appropriate nuptial selections at the organ.

The bride is the daughter of Mr. and Mrs. W. B. Anderson of Canyon. Parents of the bridegroom are Mr. and Mrs. R. C. Baker of Midland.

Given in marriage by her father, the bride wore a formal length gown of imported silk organza over taffeta and re-embroidered Alencon lace trimmed in seed pearls. The sleeves were in a lace bell shape with

scalloped edges and scallops edged the portrait neckline. The controlled A-line skirt which fitted to an empire bodice and enhanced with lace appliques tracing a pattern on the skirt. The detachable chapel train was held to a back raised waistline and the Alencon appliques complemented the train of the gown. She carried a white New Testament with cover of mother-of-pearl. The testament from Old City Jerusalem was a gift from the bride's great grandmother.

Barbara Anderson, sister of the bride, was maid of honor. She wore a pink street-length dress with long sleeves and carried a single long stemmed pink rose.

Flower girl, Miss Becki Anderson, wore a pink street-length dress and carried a basket of rose petals. She is a sister of the bride.

Lane Cooper of Odessa was best man.

Ushers were Doug Crouser, Midland, Donnie Pratt, Darrouzett, Bill Anderson and David Anderson, brothers of the bride, both of Canyon.

The couple was honored with a dinner-reception in Amarillo after the ceremony and will make their home in Canyon, following a brief wedding trip.

The bride is a senior elementary education major at West Texas State University. She is employed with the library at WTSU.

The bridegroom is president of the WT Ghost Riders. He is a senior international relations major at WT and is employed with West Texas State Bank.

Accident Summary

A total of ten automobile accidents on rural highways in Randall County were investigated by the Texas Highway Patrol during February.

The crashes resulted in seven persons injured, and an estimated property damage of \$5,750, according to W. E. Wells, highway patrol supervisor for this area.

Rural traffic accidents for Randall County during the first two months of 1968 shows a total of 25 accidents resulting in one person killed, 18 injured, and an estimated property damage of \$17,908.

"With the April 15 deadline for obtaining inspection stickers drawing near, only 37 per cent of the registered vehicles in this county have been inspected," Wells said.

To avoid the inconvenience of the last minute rush and the possible shortage of seat belts, motorists are urged to have their vehicles inspected promptly," he added.

Any driver operating a vehicle registered in Texas, that is required to be inspected, on public roads after April 15 without a valid 1968 inspection sticker will be operating in violation of the law and is punishable by a fine not to exceed \$200.

Ballet Film Set Tonight

"Romeo and Juliet", a ballet based on the play by William Shakespeare, will be presented in a film tonight at 7 and 9:15 p.m. at the Olympic Theatre on the north side of the Canyon square.

Admission is \$1 per person. The film, sponsored by the Community Film Series is suitable for both children and adults.

Final film of the current series will be shown April 3-4 and is an Italian film entitled "Shoot Loud, Louder--I Don't Understand".

Blackburn To Meeting

Frank M. Blackburn attended a meeting of the Council of State College Librarians at Nacogdoches on the campus of Stephen F. Austin State College last week.

Blackburn is university librarian at West Texas State University.

Ray C. Janeway, Texas Technological College in Lubbock, is the librarian serving as chairman for the group. The group discussed the inter-library loan system.

Volleyball Games Set

A volleyball tournament is being sponsored by the Happy Volunteer Fire Department, today, March 21 through Saturday at the Happy High School gymnasium.

Games begin each evening at 6:30 p.m. and admission will be 25 cents per person. Eight men and women's teams are entered in the tournament and trophies will be given for first through third places.

An added attraction will be the "father-son" exhibition game to be played Saturday evening.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.
